

PETS *ARE NOT* PRESENTS

If you have a little one who wishes for a kitten or puppy this
Christmas,
~Please reconsider~

The holidays are a time of great FUN AND EXCITEMENT, but
then when school starts , everyone goes back to work, and life goes
back to normal ~ the little “present” is left alone, and won’t
understand why.

Consider waiting until the holidays are over, THEN ~ have a
family meeting and make sure everyone wants the new family
member, because that is what it is: not a present, to be played with;
then tossed aside.

Parents, we chose this educational toy to help you when your child
desperately wants a pet. Consider a *Webkinz*, an interactive toy
with educational components that requires daily care and attention;
then in 2 or 3 months, if the child is still motivated, please come
back, talk to an adoption counselor and take home a new member
of the family.

We want what is best for all of your members!

Happy Holidays
